Notes:

1. The rates contained on this schedule may differ from the rates on a provider's contract. The rates on Provider's Exhibit B will control for that provider's contract.
2. Modifiers must be billed in the order that they appear to be reimbursed.
3. Discipline levels will vary from state to state. N/B indicates a non-billable service for this discipline level.
4. Reimbursement is based on the treating provider's licensure and Magellan credentialing requirements for that discipline, and is not based on provider's academic credentials alone.
5. Providers may only provide services and bill for Current Procedural Terminology (CPT), Healthcare Common Procedure Coding System (HCPCS), and Revenue (Rev) codes that fall within the scope of practice allowed by their professional training and state licensure.
6. Rates for all services are subject to the provisions and limitations of the Member's Benefit Plan including authorization requirements. Nothing in this schedule should be construed as altering Member's benefits.
7. This reimbursement schedule represents the most frequently utilized CPT/HCPCS/Rev codes for professional services. A '+' sign denotes an add-on code that must be submitted with an applicable base procedure code. Rates for CPT/HCPCS/Rev codes not listed can be obtained from Magellan upon request and will be provided at the time services are authorized.
8. Magellan or its claims payers will not accept expired or deleted CPT/HCPCS/Rev codes. Please use and submit current CPT/HCPCS/Rev codes for all services.
9. One professional visit per authorized inpatient day may be billed when the facility per diem is exclusive of this charge.
10. *Transportation and mileage, per mile, only reimbursable in conjunction with the following services: 90791, 90792, 90846, 90847, 90832, 90833, 90834, 90836, 90837, 90838, H1011, H0031, H0036, H2033, S5150 and T1017.

13. Medically Necessary Covered Services rendered by non-Credentialed Providers in the Group to Members with a Benefit Plan that permits self-referral to providers shall be reimbursed in accordance with this reimbursement schedule if the Medically Necessary Covered Services rendered by Credentialed Providers in the Group to Members covered under the same Benefit Plan are reimbursed in accordance with this Schedule.
