**From:** Magellan Healthcare

**Subject:** You have access to CEUs at no cost through Psych Hub

## Earning your CEU's just got easier – access Psych Hub at not cost

### Why Psych Hub?

Magellan Healthcare of Idaho offers CEUs at no cost to our Idaho Behavioral Health Plan network providers through our partnership with Psych Hub. This collaboration provides you with access to evidence-based education and resources for your daily practice. The Psych Hub Professional Training Platform enables practitioners to transition from generalists to specialists by earning certificates in evidence-based interventions.

### What is available on Psych Hub?

Psych Hub's catalog includes courses, short key concept videos, resources, and articles to support evidence-based practices. The content covers the most topical mental health subjects, providing comprehensive support for your professional development.

### How do I know if I'm eligible for Psych Hub access at no cost?

Magellan Healthcare of Idaho behavioral health providers can access Psych Hub at no cost by visiting [app.psychhub.com/signup/magellanhealthcare-id](http://app.psychhub.com/signup/magellanhealthcare-id). *Note that if you sign up directly on Psych Hub's website, you will be prompted to pay for an account, so be sure to use Magellan's unique link!*

Questions regarding eligibility should be directed to [MagellanIdahoTraining@MagellanHealth.com](mailto:MagellanIdahoTraining@MagellanHealth.com). Psych Hub cannot verify your Magellan provider status for eligibility.

### Login today!

1. Access the Psych Hub sign up page at [app.psychhub.com/signup/magellanhealthcare-id](http://app.psychhub.com/signup/magellanhealthcare-id).
2. Create your profile.
3. Begin your learning journey!

### What if I need help?

If you experience any issues while using the Psych Hub platform, you can submit a ticket from within the platform or reach out to [support@psychhub.com](mailto:support@psychhub.com). Response times may vary – you can expect a response within 24 hours during regular business hours (9 a.m. to 5 p.m.) in all US time zones.

**Can other providers in my organization sign up for Psych Hub?**

All Magellan Healthcare of Idaho behavioral health providers in your organization are eligible for no-cost access to Psych Hub. All providers should use the unique link above to register. Share this invitation with others in your practice as applicable.

**What if my credentials aren't listed when I try to sign up?**

This field is not required. You will still have full access to all the content within the provider training platform. The most important update for your profile is your preferred approval body. This will customize your experience and ensure your course completion certificate accurately reflects the correct number of CEUs.
