

Provider Notice

From: Magellan Healthcare

Subject: Clarifying background check requirements after Feb. 4 e-blast

Attention: Update regarding Feb. 4 background check e-blast

In response to the background check notification dated Feb. 4, we'd like to provide the following clarifications:

If you have already submitted your background check clearance or waiver, or if you were grandfathered in during the credentialing process, please disregard the Feb. 4 notification. You have met this requirement.

New providers are required to comply with the submission process outlined in the Feb. 4 background check notification.

We sincerely apologize for any confusion this may have caused.
Thank you for your understanding and cooperation.
