From: Magellan Healthcare

Subject: Clarification: STAD services remain available for youth

Attention: STAD services

Overview

Magellan is clarifying the Dec. 1, 2025, provider communication regarding Skills Training and Development (STAD) services.

While STAD services are no longer billable for adults ages 21 and over, STAD remains available for those under 21 years of age, as outlined below:

- **Ages 0–18th Birthday:** STAD services remain available without prior authorization.
- **Ages 18–21st Birthday:** STAD services will need to be requested through the Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) benefit.

Fee schedule

The STAD billing codes are available on the fee schedule to reflect continued availability for youth and EPSDT-eligible members. The [fee schedule](#) can be found on [MagellanofIdaho.com](https://www.MagellanofIdaho.com) > For Providers > [Rate Schedules](#).

Thank you for the opportunity to clarify this service change. We appreciate your continued partnership as we work to ensure clear and accurate guidance.
