

# Provider Notice

**From:** Magellan Healthcare

**Subject:** Update on Peer Support services

## Overview

With the recent signing of legislation reinstating adult peer support services, Magellan is working quickly to reinstate these services.

Additional communication and guidance will be shared in the coming days regarding when these services will be officially reinstated so network providers may begin offering them to IBHP members.

For more information, please refer to [Information Release MA26-09](#) from The Idaho Department of Health and Welfare.
