

Provider Notice

From: Magellan Healthcare

Subject: RSVP now: Idaho provider town hall meetings coming in May

Overview

Magellan invites Idaho Behavioral Health Plan (IBHP) providers to attend upcoming Idaho Provider Town Hall meetings in their local areas scheduled for the week of May 17. In person sessions are planned in Northern (tentatively Worley or Coeur d'Alene), Southern (tentatively Boise) and Eastern Idaho (Pocatello or Idaho Falls), with specific locations to be announced. We will also be offering a statewide virtual town hall for those that are unable to attend in person.

These town halls will provide an opportunity to:

- Share updates on recent program and process changes
- Discuss services currently being recruited for across the state
- Hear directly from providers about local needs, gaps in care and barriers to access

Provider input is critical as Magellan continues to strengthen the IBHP provider network. Participation in these discussions helps shape future network development efforts.

RSVP interest

Providers are encouraged to RSVP their interest for planning purposes. Exact locations, dates, and times will be communicated once finalized.

To RSVP, email **Rebekah Nansel, provider relations manager**, at NanselR@MagellanHealth.com and include:

- Agency name
- Number of attendees
- Agency address, including city and region
- If you plan to attend in person (specify which location from above list) or prefer to participate in the all state virtual town hall with date TBD.

RSVPs are due by Thursday, April 23.

Magellan looks forward to connecting with providers across the state.
