Subject: Upcoming update: Changes to IDAPA Medicaid rules reflected in Provider Handbook Supplement

Attention: IDAPA rule language updated in IBHP Provider Handbook Supplement

Overview

Magellan Healthcare is updating the IBHP Provider Handbook Supplement to reflect recent changes to Idaho Medicaid rules.

Effective **July 1, 2025**, the following rule changes will go into effect:

- **IDAPA 16.03.09** (Medicaid Basic Plan Benefits) and **IDAPA 16.03.10** (Medicaid Enhanced Plan Benefits) will no longer be effective.
- A new, consolidated proposed and temporary rule set will be located under **IDAPA 16.03.26**.

This update reflects Idaho's transition to a single, streamlined Medicaid rule chapter and will be included in the next provider handbook supplement release on July 1.

What providers need to know

Please review the updated rule reference in the next supplement and ensure your internal documentation reflects this change. While the clinical requirements and service delivery standards remain aligned with Medicaid policy, all IDAPA citations will now point to the new consolidated rule chapter.
