Subject: Apply for Idaho's multisystemic therapy funding opportunity

Attention: Applications for Idaho's Multisystemic Therapy funding opportunity are due October 2.

Overview

The Division of Youth Safety and Permanency's Family First Team has announced a funding opportunity for certified Multisystemic Therapy (MST) providers in Idaho. The opportunity will support expanded access to evidence-based, community-based services intended to reduce the likelihood of foster care involvement.

One organization may receive up to \$400,000, contingent on available funding. Eligible organizations must have provided MST services in Idaho for at least three years. The program is expected to run from Oct. 19, 2026, through March 30, 2028.

Important dates

- **Questions due:** Tuesday, Sept. 29, 2026
- **Applications due:** Friday, Oct. 2, 2026, by 5 p.m. MT
