From: Magellan Healthcare
Subject: Learn about therapeutic behavioral services training opportunities

Overview

The Idaho Department of Health and Welfare is preparing to offer train-the-trainer opportunities for Therapeutic Behavioral Services (TBS) and Intensive Home and Community Based Services (IHCBS). In partnership with Magellan, IDHW is seeking providers interested in participating in the training.

You are invited to attend upcoming informational forums, hosted by Magellan, to learn more about these services, implementation considerations, and the benefits TBS can provide to youth and families.

What providers should know

These forums will provide an opportunity to:

- Learn more about the TBS IHCBS service model
- Discuss upcoming train-the-trainer opportunities
- Learn about implementation considerations
- Explore how these services support youth and families
- Ask questions and receive additional information

We also encourage current TBS providers to attend and share their experiences delivering these services.
