Provider Notice

From: Magellan Healthcare
Subject: Register now for Magellan's 2026 Annual Provider Trainings

Join Magellan for our 2026 Annual Provider Training Sessions

Magellan Healthcare is offering three annual training courses: 2026 Annual Cultural Competency Provider Training, 2026 Annual Fraud, Waste, and Abuse Provider Training, and 2026 Updates to the Idaho Behavioral Health Plan (IBHP) Provider Handbook Supplement. These training courses will be available in our learning management system (Saba).

To register for these trainings, click here.

2026 Annual Cultural Competency Provider Training

Topics covered:

- Define at least five culturally relevant terms.
- Identify at least two ways Culturally and Linguistically Appropriate Services (CLAS) standards improve quality of care for members.
- List and explain the three tenets of cultural humility.
- List healthcare barriers and culturally accessible care into correct categories.
- Recognize three implications implicit bias and stereotypes have on the member.
- Define limited English proficiency (LEP) and identify three associated risks in healthcare.
- Recall at least three tribes indigenous to Idaho.

2026 Annual Fraud, Waste, and Abuse Provider Training

Topics covered:

- Define and differentiate between fraud, waste, and abuse.
- List ways to report fraud, waste, and abuse.

2026 Updates to the IBHP Provider Handbook Supplement

Topics covered:

- Explain where to reference updates.
- Outline important updates from IBHP Provider Handbook Supplement Section 3, Section 5, and Appendix C.
- Access and revisit the e-blast updates.
- Summarize important program updates.
